

## **Tarradiddles of the King**

*Tarradiddles of the King* series is inspired by the real-life accounts and creative fabrications of John David Reichard, aka “the King” who delighted in entertaining his children, grandchildren, and great grandchildren with these ingenious, albeit embellished tales.

**Tarradiddles**-an exaggerated story; a fib; twaddle.

## **Between Shadow's Ears Book 1**

Is Willie right? Are the woods *really* haunted? Or is this just another one of Willie's “whoppers”? And what is the secret of the strange man living beyond the briar patch? Join Johnny and Willie on their mysterious and toe-curling adventure . . . climb aboard with them on their horse Shadow . . . find out the truth. Now, tell me . . . do YOU see any ghosts? . . . Well, do you?
